

**HOUSE OF HEALING DMV, INC.**  
**NEW YEAR CONSECRATION**  
**January 2 thru 25, 2024**

**Purpose**

The House of Healing DMV welcomes believers to embark on a transformative journey through the 24-day consecration and fasting. Rooted in scripture, this period of dedicated spiritual growth and purification allows participants to draw closer to God, seek His guidance, experience breakthroughs, be obedient to scripture, obtain direction and unify the church. Participants are encouraged to abstain from certain foods or activities, redirecting their focus towards prayer, meditation and studying the word of God.

While some may view fasting as a somber or burdensome process, House of Healing DMV emphasizes the importance of maintaining a positive mindset throughout this journey. Drawing upon passages such as Psalm 35:13, which urges believers not to approach fasting with sadness but instead with rejoicing, participants are encouraged to find joy in the spiritual growth and the unbridled closeness to God that accompanies the consecration period.
