

Bio of Pastor Orin H. Boyd, Jr.

Husband, Father, Visionary, Servant Leader, Church Builder, Lover of Humanity

Pastor Orin Boyd, Jr. is a strategic visionary leader who inspires engagement and success by establishing platforms to help build, mentor, and develop others. A proud son of the Church of God in Christ, he serves as Senior Pastor of Mt. Zion Pentecostal Church of Washington DC. Pastor Boyd also previously served as Interim Pastor of Mason Temple COGIC in Kansas City, KS, and Founder and Senior Pastor of the MacGregor Park COGIC in Houston, TX.

Growing up in Wichita, Kansas, Pastor Boyd was exposed to revelatory teaching and the undeniable manifestation of the power of God through the ministry of his father. From this foundation, he was later called into the ministry, where God's favor has carried him to over 20 states to minister in revivals, conferences, convocations, and fulfill many other ministry functions.

Today, in addition to serving Mt. Zion Pentecostal Church, Pastor Boyd also serves as Founder & CEO of Destiny Point Community Development Corporation, and Chief Operating Officer of the Republic of Korea Jurisdiction, Church of God in Christ. He also consults with churches on the intricacies of real estate development, church construction, and financing for ministry expansion. Pastor Boyd's leadership ability has also been demonstrated by 13 years of executive experience in Corporate America.

Pastor Boyd's Kingdom mandate spans generational, cultural, and denominational divides to challenge the church to embrace authentic transformational ministry that meets the needs of today's society.

Pastor Boyd resides in Annapolis, MD with his lovely wife, Lady Courtney Bass-Boyd. Together, they have one daughter, (Tishayln), one son (Kyng) and four grandchildren. Pastor & Lady Boyd are extremely grateful for the privilege and mandate to serve the Body of Christ everywhere.

Jeremiah 29:11 *"For I know the thoughts that I think toward you, saith the Lord, thoughts of peace, and not of evil, to give you an expected end".*
